

JANE JAMES

Jane James is a CANTRA Certified Coach as well as an English Coach 1 who has worked miracles for our disabled athletes. Through her tireless (and often at her own expense) efforts we have been able to send teams to the Paralympic championships in Europe, the World Championships and to the 2004 Paralympic Games in Athens. Jane has served as Chef d-Equip for these teams. In 2002, Jane organized the Pacific Rim International Invitational Dressage Show for Riders with a Disability, which was a huge success. Jane is on the Board of the Canadian Therapeutic Riding Association. Jane is a tireless, selfless person who is willing to put aside her own personal life to help our Paralympic riders achieve their best. Jane is a more than deserving recipient of the Coach of the Year award.
