

SUMMER FROLIC

For the past five years, organizer Beverly Marley has organized the Summer Frolic at Marley Farm, a Combined Driving Event in Saanichton, BC and previously organized the Victoria Horse Driving Trails for 10 years. The event sees 30-50 participants, and offers a Saturday luncheon for everyone including nearly 50 volunteers, some of which have returned for the 15th year in a row.

The show also offers a Ride or Drive event for horse enthusiasts of all disciplines which crosses over six neighboring properties, raising donations for the Saanich Peninsula Hospital. With the help from event secretary Marilyn Miller and all the volunteers, Beverly Marley and the Summer Frolic have always provided a welcoming atmosphere for dedicated horse owners, friends and family to enjoy, and 2008 was no exception.
