

## GREENHAWK HARNESS & EQUESTRIAN SUPPLIES

The Langley *Greenhawk* Harness and Equestrian Supply store opened in April of 2005 and it was not long before it was a very popular destination for the horse community. They offer a range of well priced horse equipment, clothing and health care products for both recreational and professionals. *Greenhawk* is outstanding in its contributions and donations to BC equestrian clubs, fundraisers and competitions. They were active in the Spirit of the Horse Garden Fundraiser, the Campbell Valley Horse Trials, and the Mane Event Horse Expo.

They have donated to or helped countless clubs and organizations including the Circle F Horse Rescue, Canadian Cancer Society, Pony Clubs, Valley Therapeutic Equestrian Association, the Vancouver Mounted Police Squad and more organizations that we have time to list. Sue Balcom, is the manager of *Greenhawk* in Langley, she took up riding a little later in life and this love of horses led her to buying the first *Greenhawk* franchise west of Ontario. *Greenhawk* Harness and Equestrian Supply is a store that gives a little bit more and is the recipient of the 2006 HCBC Horse Business of the Year Award.
