

HORSE-CO

Dalton and his drivers provide safe and professional horse hauling services. He always goes the extra mile to ensure that your horse arrives safely, on time and a better loader and shipper than before he had the care of the animal. Personal possessions are looked after and arrive safely as well. No destination is too difficult and he and his drives are helpful, friendly and competent in handling the horses. His equipment is suited to the job and well maintained. He provides consulting service on the transporting of horses and gives excellent, thorough workshop presentations.
