

CAROL & CHUCK COURT

We are pleased to recognize a special Husband and Wife team as the recipients of this year's award. Chuck started out as a teenaged apprentice to a well known Oregon trainer and was mentored for many years before opening up his own stable. Carol was born and raised in Vancouver and in the early 70's opened up the successful Casita Stables in the Southlands area. Together Chuck and Carol have trained 5 gaited, 3 gaited, Fine Harness, Pleasure Driving, English and Western Pleasure, Road Horse and Equitation horses. Now located together in Aldergrove, they are well respected professionals with a depth of knowledge and ability second to none and therefore deserving of the Professional of the Year Award.
