

MIREYA HOOPER

Even though Mireya was unable to compete at the BCLM Pony Club Show Jumping Championships due to a horse injury, she still spent the day helping and cheering on the other competitors. She also worked as part of the jump crew, assisted with scoring and registration and helped in any way she could with a smile on her face. Mireya has conducted herself with a high degree of character and sportsmanship and is a worthy recipient of the Youth Sportsmanship Award.
