

DANIELLE FROTHINGER

Danielle has been instrumental in bringing forth the Frank Cushman, which is a fundraiser for Palliative Care association in Quesnel as well as the Cancer Society. She organizes, gathers prizes, tracks pledges, and keeps the expenses to an absolute minimum, ensuring that the most money possible goes to the cause. This year Danielle set a goal of raising 100,000.00 and surpassed it! Danielle was instrumental in the formation of the Kersley Horse Club and also acts as Show Manager for the Quarter Horse Show in Quesnel. If all this was not enough she also acts as show announcer for the Jenna Wills Memorial. We are privileged to be able to honor Danielle Frothinger tonight for all the volunteer work that she does.
