

JIM MCRAE

Jim McRae is well known throughout the Horse Industry in BC. He served as President of Horse Council, has sat on the board and many committees. Perhaps his best recognition comes from his exploits and expertise in the world of Certified Horsemanship Association, Back Country Riding and his Packing and Guiding business. Recently Jim has shifted focus to the concept of Site Accreditation for Farms and Stables in BC. He has formed a committee and is actively working towards making this a reality for HCBC. The Horse Industry of BC will benefit greatly from Jim's hard work.
