

DAKOTA SUNRISE, OWNED BY THE SCHMIDT FAMILY OF ROSEDALE, BC

Dakota is a 20 year old Stock Type Pinto who started his career as a 4-H project for Colin Schmidt and became a vaulting horse for Aurora Vaulters and 4-H Rainbow Flyers of Chilliwack. He went to Alberta to give the Spruce Valley Vaulters a good start, and then returned to Chilliwack to the Cheam Vaulters. His temperament has made him ideal for teaching young vaulters, as well as for competitions and demonstrations, and he has helped build the confidence of hundreds of children and taught them how easy it is to love a horse.
