

## STEPHANIE RHODES-BOSCH

In 2008, 21 yr old Summerland resident Stephanie Rhodes-Bosch and her horse, Port Authority (aka "Ollie") represented BC and Canada at the 2008 North American Junior & Young Rider Championships in Denver, Colorado in the eventing CCI as Canada's lone two star combination and won the Individual Bronze medal. She and Ollie upgraded to the Advanced level in the early spring of 2009 and are now Short Listed members of the Canadian Eventing Team. They will continue to train with David O'Connor this winter in Florida in preparation for their first four star at the Rolex Kentucky event in April 2010. This event will serve as the final selection event for the Canadian horses and riders to represent Canada at the 2010 World Equestrian Games. Stephanie has every intention of being a member of that team.
