

Welcome to Bowen Island's multi-use trail system.  
You may see horses and riders on this trail.

***When you encounter an equestrian, please:***

***1. Greet the rider***

Alert horse and rider to your presence.

***2. Step to the side***

Mounted equestrians have the right-of-way.

***3. Keep your distance & leash your dog***

Horses can be unpredictable – if startled, they may kick or bolt unexpectedly.

Many thanks for keeping our shared trails safe for hikers, bikers and equestrians.
