### How will my feedback be used?

Public and stakeholder feedback will be used to confirm the vision and seek feedback to prioritize and evaluate draft recommendations and policies of the Draft Regional Parks Plan.

### What We Heard - Round 1

### **Vision**

The RDFFG has a diverse, accessible and high quality Regional Parks system that:

- Secures, protects and stewards lands and waterbodies of recreational, environmental and historic value to the region and its communities;
- Provides day-use facilities that support rewarding outdoor recreational opportunities;
- Preserves the environmental and heritage values represented in the parks;
- Promotes the history and culture of Indigenous peoples in the region;
- Moves toward an interlinked system of public trails and open spaces in coordination with other park and trail systems in the region;
- Fosters understanding and appreciation of the Region's natural and cultural assets;
- Incorporates the RDFFG's climate action targets; and
- Enhances the quality of life, health and wellbeing of current and future residents and visitors of the region.

### **Draft General Park System Recommendations:**

#### **Policies & Bylaws**

1. Review and update the Regional Parks Bylaw.

#### **Accessibility**

- 1. Ensure all Regional Parks have an accessible outhouse.
- 2. Ensure parking lots have accessible parking stalls identified near the park entrance.

#### **Education & Interpretation**

- 1. Support the enhancement of existing trails, and development of new trails within Regional Parks to create a variety of loops.
- 2. Add interpretive signage that offers opportunities to learn about historical and cultural resources in the region.
- 3. Support the hosting of educational and interpretive talks in Regional Parks.

#### **Stewardship**

1. Ensure all Regional Parks have recycling bins in addition to standard waste receptacles.

### **Marketing & Promotion**

1. Update brochure that notes facilities available at each Regional Park.

### **Indigenous Relations**

- 1. Engage with First Nations to incorporate informational and interpretive signage that reflects First Nations cultural values, historical trails, and other traditional uses within the region.
- 2. Ensure park signage acknowledges the traditional territories of local First Nations.

# **Existing Regional Parks**

Park	Draft Park Development Recommendations
BERMAN LAKE	Create more accessible grades to access the dock and picnic areas. (High)
	<ul> <li>Upgrade trails, including repair of wooden stairs, bridge railings, and trail surfaces. (Medium)</li> </ul>
	<ul> <li>Install a viewing platform along the wetland with interpretive signage. (Low)</li> </ul>
CEDARSIDE	<ul> <li>Widen the trail to the beach and develop a loop trail with interpretive signage. (High)</li> </ul>
	• Install additional barriers to discourage access along steep banks to beach. (High)
GEORGE HICKS	<ul> <li>Support the extension of a trail from the viewing platform to the North Thompson Highway on the north side of Swift Creek. (Med)</li> </ul>
GISCOME PORTAGE (HUBLE HOMESTEAD HISTORIC SITE)	<ul> <li>Prepare a park management plan that defines a mutually-agreed vision for the park, identifies how the RDFFG will work with the Huble Homestead / Giscome Portage Heritage Society and other interested organizations to achieve the long- term vision, and clarifies roles, responsibilities, and resources needed to achieve that vision. (High)</li> </ul>
	<ul> <li>Support trail enhancements on the site such as exploring alternatives for the riverfront trail and creating rest points with benches along the trail from the parking lot to the Huble Homestead entrance. (Medium)</li> </ul>
